Client Assessments: Discovering Your Passion

1. What have you seen God bless in your life? Please write these down. Did you sense a passion, a joy, or energy in doing these things?

2. What opportunities have you had that others haven't had? Please list them. What do these opportunities say about me? What do they say about where I should be going?"

3. What excites you? What gives you a sense of passion? What are you most energetic about? List them below.
